\$4.14 / \$1631.07 is like the FED-30, which is slightly higher than it was prior to the new year, about 6 months ago though in basis points, roughly about 25BPS.... rounded to the 4th point.

Does this look interesting?

(40.725912, -74.002538)

\$1631.07. The lessor of what was provided as a 1-7 day release into which account?

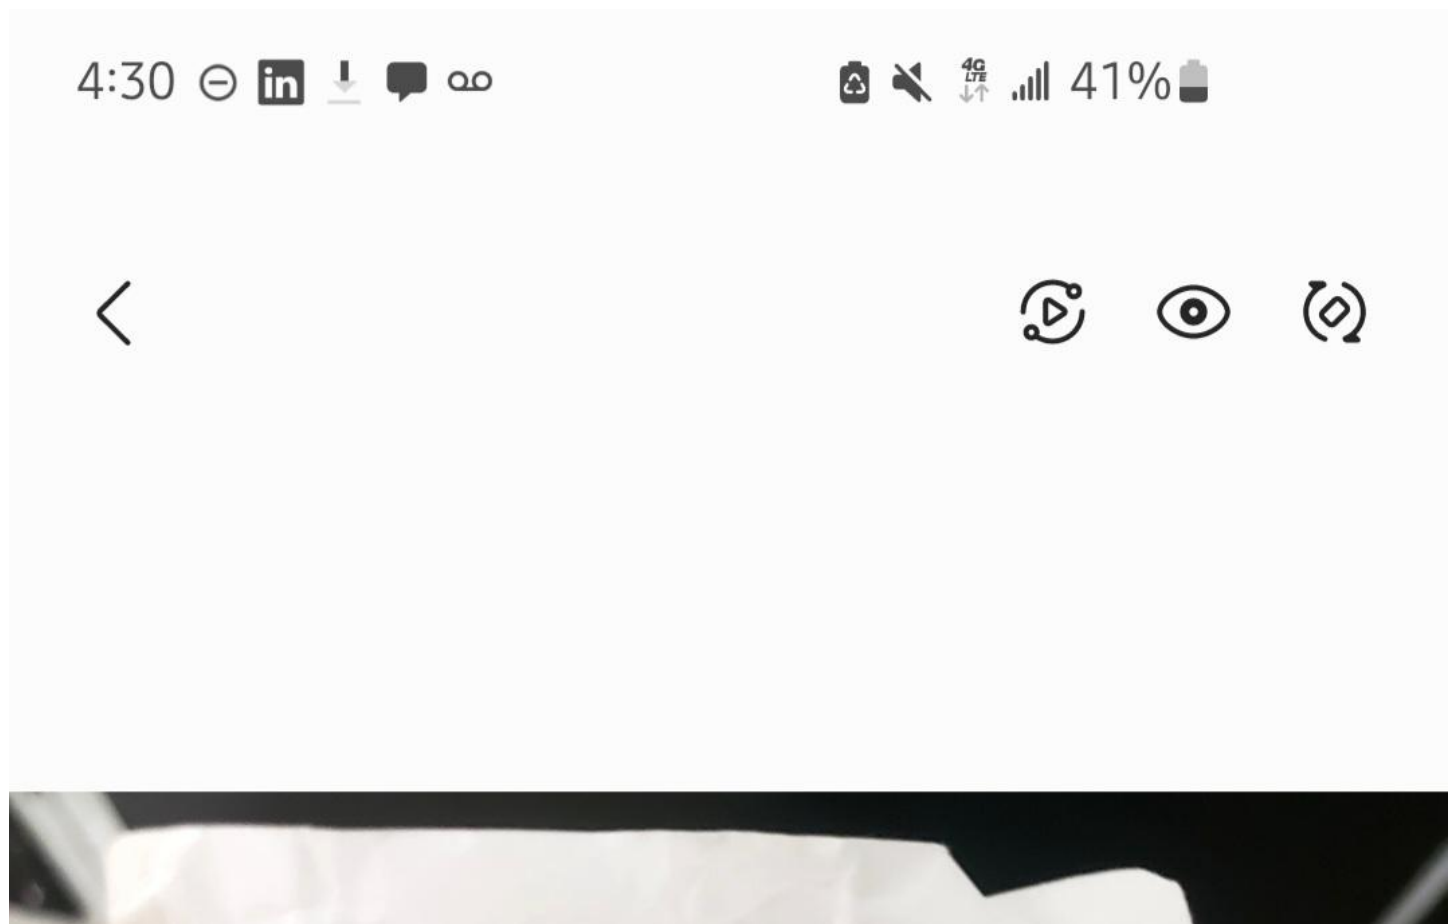

Stop wasting my time with this nonsense before you understand where that money is being held, is a Tier 1 asset on your book so stop playing games with your financial institution.

Found it the Claim Stamp...

Sorry about that..

The \$58.58 was left off that note as refunded? On what account?

NOT \$1689.65, Total amount for 12 charges, was \$1631.07.

for unauthorized entries itemized as referenced below and in the link, not including the \$58.58 amd \$70.00 overdraft, for which I did not consent, and did included as unauthorized entries/transactions as referenced hereunder in the link.
