emails here as furtherance to their filings in NYSCEF 153974/2020 where I annexed their joint venture in a \$6 million dollar loan using their USC Title 18.21 papers to obtain an unlawful letter of credit to satisfy USC title 18.215, USC title 18.21, as direct participants in the violation of privacy - which has not yet been adjudicated.

That's to come later, but I prefer to litigate while they are under surveillance this time. Thank you for understanding, I need 4 or more.

You are all welcome, when I see them in BOP register, I will file a Violation of Privacy suit to keep them in there longer... I can earn money without stealing people's money, and cheating. thank you.\*\*
