Dr. Bowe Jr.,

I am in receipt of your email and decision letter (attached) and it was nice meeting you in Zoom. I would like to speak with you privately to address some questions about a separate matter...

Do you have office hours? Nothing personal, or any concern to the decision as entered; which I already abide by the terms, without a question always conduct myself accordingly.

- I just wanted to meet with you, to be honest, because you seem like a nice person and I needed an opinion on a matter of breach which is unaffiliated.

Your friend,

Bo Dincer
