Do the Deans Disciples have some stern rule that supersedes the US Treasury? Because those self-proclaimed security deposits purportedly carry interest as well, which I did not request— the principle alone has not been returned as of current, so instead ... I helped out these 15 other petitioners to see if that would wake up the Judge and the ZUCKERS counselors in those respective cases as well: fax confirmations below... Tom, maybe the Treasury or SEC, or the roster of Wilson & Elser's adversaries? I'm not sure, I'll spin a dradle and pick the best option.

That's a Zucker filing.

Docket 48, marked exhibit 4– NYSCEF 153974/2020.

- Joe,

I will walk into your building (the part time one) with those papers personally. ask The CEO of Morgan Stanley if I care whether or not they accept packages.

There's only 25,000 of them on 7th avenue. I Even gave them a clean change of clothes, for later...

Knee-how? One leg, then the other. I think I forgot to throw in some T-shirts, i forgot to put on a tshirt that day while asking this dude what the weather was going to be like..

##Ultra sheers.
