I want to talk her how come she doesn't want to write

letters anymore???

“HF-rates-apply” gave you fair warning Sharikssz now you’re going to shore up a cool two billion? Befor tax evasion and fines??

Ok, carried that interest proper for gross negligence for two years... not the two year.. two years. Carried interest is another \$50,000,000.00 in interest champ, before fines.

Child pornography, maybe? I don’t what other videos they have...

Listen Shari, those are REAL charges...

Just like your tax receipts you represent for the group at 101 west 55TH street, together with Ashley in NYSCEF matter 153974/2020.

Funny, they work in the same building, 150 East 42nd street.

Remember, love where you work! And don’t worry, the god cop bad cop thing... is only in movies 🎬

Ok it’s illegal to be an accessory to those crimes as well, his attorneys and employees all got serious time.

Just turn yourself in, after two years..

It’s a “good faith attempt” to save the integrity of the market, for starters..
