They have to ask and get consent, even on COPS you derelicts, of course I press charges for a violation of privacy.

We can talk about barett for precedent in Andrews, they will RUN for 30-months of state or federal time are you kidding me? They should have taken the \$25 million out of court.. Plus, Im a hedge fund manager I made more than Erin Andrews, LET those tax records prove otherwise. And good luck!!!!

Steve will 100% tell on everyone in Manhattan and the surrounding counties of Long Island, and all 5 boroughs...

anobe, and attached are the instructions I provided for the unauthorized "entries" into those hotel rooms which were conducted at my expense, in fact decided to mount recording devices in my room to further obtain an "inside" competitive advantage on my daily affairs, without consent.

116th and Broadway, in Manhattan (aka The STONEHEARST ASYLUM) ARE closed, "under construction", even went there personally to double check.

> Docket 166, attached. Not "under construction", even were able to file an additional theft of NYC assets, an amount equal to \$600,000 without legal grounds to collect rent for their Domestic Limited Partnership: Sullivan Properties LP, a Delaware Limited Liability Partnership. Under the family of Zucker Enterprises LLC was aided and abetted to conceal a CERTAIN breach of duty and a USC Title 18.225 Loan 50074 from CIK filer 93715 (now CIK filer 1516523) as CIK filer 93715 has, under the counsel and assistance of bits accessories also "CEASED TO EXIST".

STFGX, deconstructed, by the greater of \$ 852,029,489 in a day.
