Confirm USC Title 18.4, 18.3. 18.3, and under USC 18.225 violated and obstructed a federal investigation of a different variety

by the counselors and accessories of 153974_2020 who obtained a loan for \$6 million from STATE FARM LIFE INSURANCE COMPANY and while on 9/23/2020 obtained another 600 thousand due to their hardships avoided prosecution by keeping me pre-occupied and still carry the interest and burdens transferred to State Farm in Loan 50074, accrued both unlawful and imaginary interest at both HSBC and JP Morgan Chase Bank which is used for overnight lending by and between all banks.

Are those rent receipts matching up with the gross income (that is unlawful) matching the income reported to the NY dept of Finance as well?

In that case also has represented their confessions UNDER USC 18.225 and USC 18.21 as well as other violations of Security Law, namely manipulation of ticker STFGX lost the bulk of its market capitalization on December 21, 2021.

Was this also a communal decision to mark its NAV at \$106? Why not \$107? Or \$101? There is no material change in holdings reported for CIK filer 93715 or 1516523 as this was obstructed by several accessories, counselors, and directors of Sullivan Properties LP.

Continuing Financial Crimes, \$20 million / corp, an \$10 million per individual if you needed cause for obstruction other than the minimum prison sentences implied.

Enjoy that while you consider how quickly problems get resolved for the 55 in an overnight and with my intervention.

Keep my family out of your affairs, and don't threaten them like the voicemail attached here carries a life and potential death sentence. Not sure if state farm will cover that as a provision of their terms of WHOLE LIFE INSURANCE CARRIERS who are still at risk while you play marco polo with the real statutes and laws. Which have statute of limitations.

Voicemail threatening an imaginary case, property and deed, confirmation of participation attached.

Have a good evening Zucker.
