Just flash this deck right here in court...  
But don't look at it first.

Forward it to their counselors

then bring it in a air sealed bag to court

and ask them: you read these court documents?

Then give it to the judge, like I did

– thing is, my files got processed and were also evaluated by the judge, clerk, and all of the Plaintiff's counselors first.

Index 153974/2020 50074 CIK 93715 [1516523]

- covered for violations under USC Title 18, namely under continuing financial crimes, 18.215, 18.21, 18.225, 18.4, 18.3, 18.2, and basically whatever Title is referenced by the Sarbanes-Oxley, any edition.

One love.
