As promised, and with in my opinion the best phychiatric dept in Manhattan for "controlled oversight of communications" is permitted visitors and deliveries on appointment, unless they want to have a brown bag, or a plastic bag, or a duffle bag of food, snacks and clothing.

She asked me if "I have done anything or contacted anyone to help get her in there", also left my number 646-256-3609 and for her benefit, my name.

Ashley Humpries, once she is cleared, usually takes them 48-72 hours -- she can call me any time, but it's the inevitable, and the best thing can happen without going to RIKERS, to wait for a long list of felonies and for 10 people, or go to the attached location and let the experts handle it.

I like duffle bags anyways... so thats the only reason I recommended that ..
