Hey do you know which subway goes to Lorimer street?

- I would like to see if state farm also gave them awtter of credit for that property as well.

They even tried to get a \$600,000 refund from the city using another entity. You like that also, giving away money while they owe 10-years back on 6 properties?

Hon Nancy and Milton in these cases here.

400842_2020 during 153974_2020 and
251334 _2021.

Hey, you're catching up with the Benjamins in my book coach.... not good.

BTW, If it's State Farm Life Insurance again I don't really care --- but which train can I take over there?
The yellow one? Harange colored, or is another gross rent reported in the NY finance register.

- if they back-backed and did that I mean whatever, 6 building later and their filing for tax kickbacks?

Of course i faxed the papers to their adversaries already.
- even on the cover page....
