Obstruction and Omissions on your watch—

/S/ BO DINCER.

See also: requests to have those BBG emails deactivated while trying to alert the Federal Regulators.

- now go walk into a court room and litigate with someone else, just make sure you let your clients know that they are ALL at a disadvantage.

These papers look good to you? I DONT GIVE A DAMN. . RICKI, LAURIE, SHARI, DONNIE, ANYBODY IN???

852,029,489.38 in a day, STFGX and no material filing in the Edgar with the SEC? The directors filed their 18.215 confessions, why can't that class III holding make it on the holding for everybody, not just their promoter to know about...
