His number is 516-884-1084, call him he doesn't give me any more than \$40/ day but that credit card is mine.

He has my zelle instructions and I can also reimburse him, just like SULLIVAN PROPERTIES LP promised to pay STATE FARM in the event of a letter that is delivered by an authority of any capacity that represents a gross undervaluation of taxes that are unpaid, for example.

Since we are not conflicted (as I am no longer registered) however and in your fiduciary capacity as a good Samaritan alon, if the card hasn't arrived yet. I'll need the \$500.00 transferred to my father's capital one account, which is the credit available on the card mailed to his address, has not been delivered to my hotel as of current.

Thank you sir.

Attached is the account information, for convenience.
