Mr. Aleynikov remains free on bail but because he holds dual United States and Russian citizenship, the judge placed him under home confinement and electronic monitoring until his sentencing, which is set for March 18. A version of this article appears in print on Dec. 11, 2010, Section B, Page 1 of the New York edition with the headline: Wall St. Programmer Guilty of Code Theft." (Lattman) In that case of a breach of conduct, the FBI on behalf of Goldman Sachs followed this programmer to the other side of the world, and only to greet him upon his return to America – despite his double standard of life and "stoic" presence in the courtroom, found his way to Prison.

Step 2: United States Attorney Southern District of New York

Manhattan U.S. Attorney PREET BHARARA said: "Protecting the proprietary information of America's companies is critically important. Today's sentence sends a clear message that professionals like Sergey Aleynikov who abuse their positions of trust to steal confidential business information from their employers will be prosecuted and punished." (United States Attorney Southern District of New York)

i. A TOTAL OF 8-YEARS SENTENCED ON MARCH 18, 2011 just about 6 months later for precedent, not by the

President.

(United States Attorney Southern District of New York)

Mr. Aleynikov remains free on bail but because he holds dual United States and Russian citizenship, the judge placed him under home confinement and electronic monitoring until his sentencing, which is set for March 18. A version of this article appears in print on Dec. 11, 2010, Section B, Page 1 of the New York edition with the headline: Wall St. Programmer Guilty of Code Theft." (Lattman) In that case of a breach of conduct, the FBI on behalf of Goldman Sachs followed this programmer to the other side of the world, and only to greet him upon his return to America – despite his double standard of life and "stoic" presence in the courtroom, found his way to Prison.

Step 2: United States Attorney Southern District of New York

Manhattan U.S. Attorney PREET BHARARA said: "Protecting the proprietary information of America's companies is critically important. Today's sentence sends a clear message that professionals like Sergey Aleynikov who abuse their positions of trust to steal confidential business information from their employers will be prosecuted and punished." (United States Attorney Southern District of New York)

i. A TOTAL OF 8-YEARS SENTENCED ON MARCH 18, 2011 just about 6 months later for precedent, not by the President.
