With all due respect, #Sir.

I read the abstract from the Sarbanes-Oxley 2002 Revised, and compounded with Title 26, the mandatory terms are much greater than 10-Years of USP time, #sir.

Originally, Black Dolphin was a jail (ostrog) for those sentenced to life at hard labor, since at least 1745. After the suppression of Pugachev's Rebellion in 1773, the prison was updated for the deportation and confinement of robbers. The prison houses approximately 700 of Russia's worst criminals, including child molesters, murderers, terrorists, cannibals, and serial killers.[3] Prisoners at Black Dolphin are all serving sentences of life imprisonment. The prison began accepting these inmates on 1 November 2000.[1]

Also that's insider knowledge and a breach of the Sarbanes-Oxley, an internationally recognized crime. Even in Sincan.

I don't care, I just know it's corruption and at the expense of my unlawful restraint, you understand what that is?

This information also, is crazy felonious, definitely you can to Prison for that, look that email between laurie Zucker and Steve Donnell, what did they talk about?

- list goes on in the other case, you family man? Me too.
- the ZUCKERS can worry about that after we clear the first and easier part, until then... those WilsonElsers are nothing but runners [mule 1] etc.

All of those in this series, for starters to help the ZUCKERS..

No problem, already handled that whoops.

- make sure that Miss Hochul takes care of whatever the rent was I am owed in arrears, I forgot the order number, 2395 \* 13 months. You know I'm not wasting another moment dealing with that nonsense, for REASONABLE CAUSE, so hopefully this is sufficient for notice.

— all of it, immediately.

you know more than you need to at this point , I'm not looking at the order again, plus, I forgot how to multiply as well.

I provided my wire instructions separately to Miss Chatman and Mr. Kilkeny at JPM ( where they transferred my Security ) I also copied the representatives at JP Morgan as well, thank you!

Subject: AUM | tax evasion | 8 AUGUST 2020 | +++

Moved a little quickly there didn't you, but that was August 10TH of 2020. Check the date of execution CF00031.

On August 10th 2020. My apartment was 150 SQFT.. you telling me it's 400\$ a foot +37 \*150 = 5550, sorry. That's \$65,550.00 not the 60,000.00 below.

You selling them for \$60,000?

Then, it would be `3.7MM as valued and paid for in your prior 5 years of taxes, as reported to State Farm realty or whoever it is you needed to borrow \$6 million from...

You could have just asked nicely to inspect my apartment you know... but now it's two years later right? And five years of tax evasion later. That's what happens when you unreasonably harass me, I will work extra hard to find you, no edgars right??? Ricki? You attached to a Edgar, come over here let me go talk to them. Ah? Got em covered right? All of them?? For what though?

I'll get back to you – and will absolutely use the two dollar lawyers recommendation letter as well, the one from the 10th of August in 2020.

Another felony, another NYSCEF **251334/2021**

*\*And an attempt to defraud again, while dealing in 153974/2020 as referenced below to obtain some \$600,000 discount or something.. \**

I don't care, I just know it's corruption and at the expense of my unlawful restraint, you understand what that is?

This information also, is crazy felonious, definitely you can to Prison for that, look that email between laurie Zucker and Steve Donnell, what did they talk about?

Violation of Privacy, 18.215, 18.225, 18.21, 18.4, 18.3, 18.4

— the ZUCKERS can worry about that after we clear the first and easier part, until then... those WilsonElsers are nothing but runners [mule 1] etc.

All of those in this series, for starters to help the ZUCKERS..

No problem, already handled that whoops.

you know more than you need to at this point , I'm not looking at the order again, plus, I forgot how to multiply as well.

A Texas subsidiary of State Farm was ordered to refund \$352.5 million to residential property insurance premiums after the company's rates were found to be unreasonable in relation to the risks they covered.

Moved a little quickly there didn't you, but that was August 10TH of 2020. Check the date of execution CF00031.

On August 10th 2020. My apartment was 150 SQFT.. you telling me it's 400\$ a foot +37 \*150 = 5550, sorry. That's \$65,550.00 not the 60,000.00 below.

You selling them for \$60,000?

Then, it would be `3.7MM as valued and paid for in your prior 5 years of taxes, as reported to State Farm realty or whoever it is you needed to borrow \$6 million from...

You could have just asked nicely to inspect my apartment you know... but now it's two years later right? And five years of tax evasion later. That's what happens when you unreasonably harass me, I will work extra hard to find you, no edgars right??? Ricki? You attached to a Edgar, come over here let me go talk to them. Ah? Got em covered right? All of them?? For what though?

I'll get back to you -- and will absolutely use the two dollar lawyers recommendation letter as well, the one from the 10th of August in 2020.
