... if you're an adversary to the wilson elser firm. Or anyone.

Send it to a print shop, tell them to wrap in a non transparent foil, air seal -- then....

Just flash this stack in court...

But don't look at it first.

1. Forward it to their counselors
2. then bring to court
3. ask them: you read these court documents?
4. Win.

Then give it to the judge, like I did...

-- thing is, my files got processed and were also evaluated by the judge, clerk, and all of the Plaintiff's counselors first.
