"Our mission is to encourage fellowship and integrity among our diverse membership by providing an arena for education, charitable giving and networking events."

Welcome to the Municipal Bond Club of New York 87th Annual Summer Outing

June 24th and June 25th,

It is with great pleasure that we welcome you to the 87th Municipal Bond Club of New York Summer Outing. Established in 1932, the Municipal Bond Club of New York is a professional organization whose objective is to encourage good fellowship and integrity among our diverse membership by providing an arena for education, charitable giving and networking events.

The Bond Club's Officers and Board of Governors have made every effort to promote this objective, build on this great foundation and continue to grow our club and mission. We hope you take advantage of networking with over 200 municipal professionals at our rooftop cocktail party and a day on the links at Century Country Club. The 2019 Board is proud to continue the club's long standing traditions and serve the municipal community. We would especially like to thank our generous sponsors, who help us to continuously make this possible each year. Please take a moment to review the sponsorship page to learn who they are and to thank them.

This year, the Municipal Bond Club of New York proudly supports Tuesday's Children. We have also donated 2 charity foursomes at this year's event in support of the Matthew Larson Foundation and Tuesday's Children. Please welcome them to the MBCNY family.

We thank you all for making the journey to New York to attend our 2-day event. Each year the Board strives to host a Summer Outing that is enjoyed by all and enables you to meet those with whom you have come to know from doing years of business with.

Sincerely,

Nicolle Brescia Summer Outing Chairmen

This year we will be supporting Tuesday's Children. Tuesday's Children provides a lifetime of healing for those who have been forever changed by terrorism and traumatic loss. Through a time tested, long-term approach, Tuesday's Children programming serves and supports US military families of the fallen; builds resilience and common bonds in communities worldwide recovering from tragedies while keeping the promise to support all those impacted by 9/11. Since, 2001, they have served over 15,000 individuals through consistent and successful evidence-based programs-trauma and grief support, youth mentoring, career resources, community and family engagement events, and volunteerism opportunities. Programs strengthen resilience, foster post-traumatic growth and build common bonds.
